Configuration Changes

- Added an 50 GB enterprise trial license (Feb 2, 2009)
- Upgraded license from free to enterprise trial license (Jan 1, 2009)

INTERVIEW TASK

The screenshot shows the Splunk License Manager v5 web interface in a browser window. The browser's address bar displays the URL `jackalope.splunk.com/prototypes/licensemanager/v5/alerts.php`. The interface has a dark navigation bar with the 'Splunk Daddy' logo and a menu containing 'Dashboard', 'Servers', 'Topology', 'Configurations', and 'Licensing'. A sidebar on the left contains a menu with 'Alerts', 'License Details', and 'License Usage', with 'License Usage' highlighted by a red rectangle. The main content area is divided into three sections: 'Enterprise License', 'License Violations', 'Too Much Data', and 'Configuration Changes'.

Enterprise License

- Expiration: Jan 11, 2011
- Installed: 40 GB (+ install)
- Received: 60 GB
- Available: **100 GB**
- Fixed: 20 GB
- Pooled: 40 GB
- Distributed: **60 GB**
- Remaining: **40 GB**
